4.0 INTEREST ON LOANS

4.1. Subject to Section 4.9, interest on the outstanding principal amount of each Loan shall accrue during each Loan Accrual Period on a daily basis on the outstanding principal amount of such Loan as of each day, at a rate per annum equal to (x) in the case of a Fixed Rate Loan, the Fixed Rate applicable thereto, and (y) in the case of a Floating Rate Loan, the Floating Rate applicable thereto, and shall be payable in arrears on each Payment Date. Interest shall be computed on the basis of 365 days in a year and actual days elapsed (the amount of interest accrued during each Loan Accrual Period, the "**Monthly Loan Interest Expense Amount**"; *provided*, that for all purposes of this Agreement the Monthly Loan Interest Expense Amount with respect to any Loan shall also include the Required Monthly Amortization Amount with respect thereto).

4.2. All amounts paid on the Collateral in respect of interest earned thereon ("**Interest Receipts**") shall be received in the Master TALF Collateral Account. Pending the application thereof pursuant to Section 4.3, Custodian shall invest such Interest Receipts on behalf of Lender as directed by Lender. Each Borrower hereby acknowledges and agrees that (x) the earnings from any such investments shall be for the account of Lender and (y) neither Lender nor Custodian (nor Administrator) shall be obligated to account to any Borrower for any amount other than the Interest Receipts.

4.3. On each Payment Date and with respect to each Loan, all Interest Receipts in respect of the Collateral securing such Loan that have been received on or before the immediately preceding Determination Date and that are for credit to the Loan Accrual Period most recently completed (such amount, the "**Monthly Collateral Interest Income Amount**") shall be applied as follows:

First, to the payment of the Monthly Loan Interest Expense Amount (including the Required Monthly Amortization Amount, but only after the balance of the Monthly Loan Interest Expense Amount has been paid in full), via the transfer of such amount to Lender (or its designee) in accordance with Lender's instructions to Custodian, and

Then, any excess shall be transferred to the TALF Disbursement Account of the Borrower's Applicable Primary Dealer.

Amounts applied to the payment of the Required Monthly Amortization Amount pursuant to clause *First* above shall reduce the outstanding principal amount of the applicable Loan.

4.4. If, with respect to any Loan as of any Loan Accrual Date, a Monthly Interest Shortfall Amount and a Monthly Interest Deficiency Amount exist, Administrator shall promptly notify the Applicable Primary Dealer of the existence of such Monthly Interest Deficiency Amount (an "**Interest Deficiency Notice**"). Such Interest Deficiency Notice shall include (i) the name of the applicable Borrower, (ii) the Monthly Interest Deficiency Amount and (iii) a demand for payment thereof.

Each Primary Dealer shall immediately forward all Interest Deficiency Notices to the appropriate Borrowers.

- 4.5. The unpaid amount of each Monthly Interest Shortfall Amount shall be added to the Monthly Loan Interest Expense Amount for the following Loan Accrual Period.
- 4.6. Each Primary Dealer shall disburse all amounts transferred to its TALF Disbursement Account pursuant to Section 4.3 in accordance with the instructions of the Borrowers of the applicable Loans; *provided* that none of Custodian, Administrator or Lender shall have any obligation to ensure that amounts transferred to a TALF Disbursement Account are applied in any manner whatsoever, and, upon their transfer to a TALF Disbursement Account in accordance with Section 4.3, none of Custodian, Administrator or Lender shall have any obligation to account to any Borrower for any funds so transferred.
- 4.7. Each Borrower hereby agrees that it shall have no right to receive its portion of any Monthly Collateral Interest Income Amount except as set forth in Section 4.3.
- 4.8. All calculations in respect of Monthly Loan Interest Expense Amounts, Monthly Collateral Interest Income Amounts, Monthly Interest Shortfall Amounts, Monthly Interest Deficiency Amounts, Monthly Interest Timing Difference Amounts and Required Monthly Amortization Amounts shall be made by Administrator and shall be conclusive absent manifest error.
- 4.9. At all times during which Lender has a right of recourse against a Borrower with respect to a Loan Repayment Amount pursuant to the proviso to the first paragraph of Section 17.0 (other than pursuant to clause (4) thereof unless the Maturity Date shall have occurred), the outstanding principal amount of such Loan and any accrued and unpaid interest thereon shall bear interest at a rate per annum equal to the rate per annum otherwise applicable to such Loan plus 2%.

5.0 REPAYMENT AND PREPAYMENT OF PRINCIPAL

- 5.1. Each Borrower promises to pay the Loan Repayment Amount with respect to each Loan made to it, in actually and finally collected funds, on the third anniversary of the Applicable Loan Closing Date, or, if earlier, the date on which all of the Collateral securing such Loan has matured (or, in either case, if such date falls on a day that is not a Business Day, on the next Business Day) (such date, the “**Maturity Date**” of such Loan).
- 5.2. All principal payments made on Collateral (“**Principal Receipts**”) shall be received in the Master TALF Collateral Account. Pending the application thereof pursuant to Section 5.3, Custodian shall invest such amounts on behalf of Lender as directed by Lender. Each Borrower hereby acknowledges and agrees that (x) the earnings from any such investments shall be for the account of Lender and (y) neither Lender nor Custodian (nor Administrator) shall be obligated to account to any Borrower for any amount other than the Principal Receipts.
- 5.3. On each Payment Date and with respect to each Loan, all Principal Receipts with respect to each Item of Collateral securing such Loan that have been received on or before the immediately preceding Determination Date and that are for credit to the Loan Accrual Period most recently completed (each Item of Collateral’s “**Monthly Collateral Principal Amount**”) shall be applied as follows:

- (a) an amount equal to the product of (x) the Haircut Percentage with respect to such Item of Collateral (as of the time the applicable Loan was made) multiplied by (y) the Monthly Collateral Principal Amount paid on such Item of Collateral shall be transferred to the TALF Disbursement Account of the Borrower's Applicable Primary Dealer; and
- (b) the balance of such Monthly Collateral Principal Amount shall be applied by Custodian to repay the principal amount of the applicable Loan via the transfer of same to Lender in accordance with Lender's instructions to Custodian;

provided, that if (x) a Monthly Interest Deficiency Amount with respect to a Loan exists as of the immediately preceding Determination Date and (y) any amount would otherwise be distributed pursuant to clause (a) with respect to such Loan, (i) the amount to be distributed pursuant to clause (a) shall be reduced (but not below zero) by the amount of such Monthly Interest Deficiency Amount (the amount of such reduction, the "**Borrower Principal Reduction Amount**"), (ii) such Monthly Interest Deficiency Amount shall be reduced by the Borrower Principal Reduction Amount and (iii) the Borrower Principal Reduction Amount shall be applied to the payment of any unpaid portion of the Monthly Loan Interest Expense Amount with respect to such Loan via the transfer of such amount to Lender (or its designee) in accordance with Lender's instructions to Custodian.

Notwithstanding the foregoing, on each date on which any Principal Receipt is received, the principal balance of the applicable Loan shall be reduced by an amount equal to the product of (x) the difference between (A) 100% and (B) the Haircut Percentage with respect to the applicable Item of Collateral (as of the time the applicable Loan was made) multiplied by (y) the amount of such Principal Receipt.

- 5.4. Each Primary Dealer shall disburse all amounts transferred to its TALF Disbursement Account pursuant to Section 5.3 in accordance with the instructions of the Borrowers of the applicable Loans; *provided* that none of Custodian, Administrator or Lender shall have any obligation to ensure that amounts transferred to a TALF Disbursement Account are applied in any manner whatsoever, and, upon their transfer to a TALF Disbursement Account in accordance with Section 5.3, none of Custodian, Administrator or Lender shall have any obligation to account to any Borrower for any funds so transferred.
- 5.5. In addition to (and not in limitation of) the foregoing, the Loan Repayment Amount with respect to any Loan of a Borrower shall become immediately due and payable:
 - (a) upon the occurrence of any Collateral Enforcement Event (A) described in clause (iv) of the definition thereof or (B) described in clause (v) of the definition thereof (but, in the case of this clause (B), only to the extent relating to such Loan); or
 - (b) at Lender's option, upon the occurrence of any other Collateral Enforcement Event to the extent relating to such Loan.
- 5.6. A Borrower may optionally prepay the outstanding principal amount of any Loan, at any time, in whole or in part, without penalty, upon not less than four Business Days advance written notice thereof (in the form attached hereto as Appendix 6)

by the Applicable Primary Dealer to Custodian and Administrator (with copies to Lender); *provided*, that (x) no optional prepayment shall be permitted to be made during any Restricted Prepayment Period and (y) if necessary to accommodate operational or administrative issues, Custodian may, by notice to the Applicable Primary Dealer, extend the date on which such prepayment shall be permitted to be consummated to a later date. All optional prepayments shall be accompanied by accrued but unpaid interest on the principal amount prepaid.

- 5.7. With respect to any partial prepayment of a Loan pursuant to Section 5.6, Custodian shall, within three Business Days of receiving notice thereof, advise the Applicable Primary Dealer of the amount of such partial prepayment that will be permitted, it being understood that Custodian may, in its reasonable discretion, reduce (but not increase) the amount of such partial prepayment to correspond to the amount of Collateral securing such Loan that is to be released on a Pro Rata Basis in accordance with Section 8.2.
- 5.8. All payments required to be made by a Borrower pursuant to Section 5.1 or 5.5 or that a Borrower elects to make pursuant to Section 5.6 shall be made via wire transfer of same day funds by such Borrower's Applicable Primary Dealer to the Master TALF Collateral Account. All amounts credited to the Master TALF Collateral Account pursuant to this Section 5.7 shall be transferred by Custodian to Lender in accordance with Lender's instructions to Custodian.
- 5.9. The provisions of the preceding Sections 5.1, 5.3 and 5.5 are subject in all respects to Section 17.0.
- 5.10. Each Borrower hereby agrees that, except as set forth in Section 5.3, it shall have no right to receive its portion of any Monthly Collateral Principal Amount until payment in full of the applicable Loan Repayment Amount and any other Obligations secured by the applicable Collateral.

6.0 GRANT OF SECURITY INTEREST

Each Borrower, for value received and in consideration of Lender permitting such Borrower to obtain each Loan made to it hereunder, hereby transfers and assigns to Lender and grants to Lender a continuing security interest in and lien on the Collateral for such Loan, as collateral security for the timely and complete payment and performance when due (whether at stated maturity, by acceleration or otherwise) of all of the Obligations with respect to such Loan. For avoidance of doubt, the Collateral pledged by a Borrower to secure its Obligations with respect to any Loan shall not secure any Obligations of such Borrower with respect to any other Loan.

7.0 COLLATERAL

- 7.1. All assets that are intended to be pledged as Collateral for Loans shall be held in or credited to the Master TALF Collateral Account.
- 7.2. Pursuant to the Collateral Custody and Administration Agreement, Custodian shall keep accurate and current records of (x) each Loan made hereunder and the accrued interest thereon and (y) the principal amount of and accrued interest on each Item of Collateral pledged by each Borrower reflecting all changes thereto occurring from time to time as a result of:

- (a) the receipt by Custodian of any amounts in respect of principal of or interest on any Item of Collateral, and any disbursements thereof, in each case in accordance with the provisions of this Agreement,
- (b) the release, in whole or in part, of the security interest in any Item of Collateral pursuant to the terms of this Agreement,
- (c) any transfer of all or any portion of the beneficial interest in any Item of Collateral to another Borrower pursuant to a Permitted Loan and Collateral Transfer,

- (f) otherwise.

Such records shall be conclusive absent manifest error.

7.3. Each Borrower hereby:

- (a) acknowledges that all of the Collateral securing each Loan made to it will at all times be held in the Master TALF Collateral Account, which shall be under the control of Lender (or Custodian for the benefit of Lender) and as to which Lender shall be the entitlement holder, and consents to the foregoing;
- (b) authorizes Lender or Custodian at any time to file or record in any filing office in any jurisdiction which Lender determines appropriate to perfect the security interests set forth hereunder, financing statements, and any amendments or continuation statements related thereto without the signature of such Borrower therein, and each Borrower shall, promptly at the request of Lender or Custodian, provide any additional information required by Article 9 of the UCC, as in effect in any relevant jurisdiction, for the sufficiency or acceptability of any financing statement; and
- (c) authorizes Lender and Custodian, at any time, to take any and all other actions that may be necessary or, in their sole discretion, desirable to obtain, preserve, perfect or enforce Lender's security interest in the Collateral.

8.0 RELEASE OF COLLATERAL

- 8.1. Lender's lien on and security interest in any Collateral shall be released upon confirmation to Lender by Administrator that the Loan Repayment Amount and all other Obligations secured by such Collateral (other than contingent obligations as to which no claim has been made) have been unconditionally paid in full. Upon any such release, Custodian shall transfer the applicable Collateral from the Master TALF Collateral Account pursuant to the instructions of the Applicable Primary Dealer; *provided*, that upon such transfer, none of Custodian, Administrator or Lender shall have any further liability or obligation to the applicable Borrower with respect to such Collateral.

- 8.2. Upon the effectiveness of any partial prepayment of the principal amount of any Loan pursuant to Section 5.6, Lender's lien on, and security interest in, each Item of Collateral securing such Loan shall be released on a Pro Rata Basis. Upon any such release, Custodian shall transfer the released Collateral from the Master TALF Collateral Account pursuant to the instructions of the Applicable Primary Dealer; *provided*, that upon such transfer, none of Custodian, Administrator or Lender shall have any further liability or obligation to the applicable Borrower with respect to such Collateral.

"Pro Rata Basis", with respect to any release of Collateral in connection with the partial prepayment of any Loan, means that the Applicable Percentage of each Item of Collateral securing such Loan (subject to adjustment by Custodian in its reasonable discretion to reflect any minimum denominations applicable to any Collateral) shall be released from Lender's lien.

"Applicable Percentage" means the fraction, expressed as a percentage, equal to (x) the principal amount of the Loan prepaid divided by (y) the principal amount of such Loan outstanding immediately prior to such prepayment.

Administrator shall provide prompt written notice to Lender and the Applicable Primary Dealer of the effectiveness of any release of Collateral pursuant to Section 8.1 or 8.2.

 - (iv) (A) the Lending Agreement is effective to create in favor of Lender a legal, valid, and enforceable security interest in the Collateral securing such Borrower's Loans and (B) so long as such Collateral is held in or credited to the Master TALF Collateral Account and Lender (or Custodian for the benefit of Lender) has control of such Collateral, such security interest shall constitute a fully and validly perfected lien on, and security interest in, all rights, title and interest of such Borrower in such Collateral, subject to no prior Adverse Claims of others; and

- (d) such Primary Dealer shall promptly notify Lender and Custodian of the occurrence of any Collateral Enforcement Event with respect to any of its Applicable Borrowers of which it has knowledge;
- (e) (i) prior to the date on which it submits its first Initial Loan Request hereunder, such Primary Dealer shall establish and implement policies and procedures designed to identify the existence of any actual or potential conflict of interest that may exist or arise as a result of its intended activities under the TALF program (the “**Procedures**”) and shall thereafter maintain the Procedures in effect and (ii) such Primary Dealer shall take appropriate remedial actions to address any conflicts of interest identified pursuant to the Procedures;
- (f) if (i) such Primary Dealer, any of its Affiliates, or any other Person that has been formed or sponsored by, or is Controlled or managed by or otherwise affiliated with, such Primary Dealer or any of its Affiliates, intends to be a Borrower (any of the foregoing, a “**Specified Potential Borrower**”), (ii) such Primary Dealer is the Applicable Primary Dealer with respect to such Specified Potential Borrower and (iii) such Primary Dealer or any of its Affiliates have acted as underwriter of any of the securities proposed or to be proposed as Collateral for any Loan to be made to such Specified Potential Borrower, such Primary Dealer shall submit to Lender a conflict of interest identification and remediation plan designed to address actual or potential conflicts of interest with respect to the foregoing (a “**Plan**”); *provided*, that a Primary Dealer shall not be required to submit more than one Plan pursuant to this Section 11.3(f) unless otherwise requested by Lender.
- (g) such Primary Dealer shall not submit an Initial Loan Request or a Loan Request on behalf of an Applicable Borrower if such Primary Dealer has knowledge that Lender has previously rejected a request to borrow loans under TALF from (i) such Applicable Borrower or (ii) any holder of any ownership interest in such Applicable Borrower (each an “**Applicable Person**”) (whether or not such Applicable Borrower or Applicable Person satisfies the criteria applicable to Eligible Borrowers set forth in the TALF Standing Loan Facility Procedures).

11.4. Custodian covenants that so long as the Lending Agreement remains in effect:

- (a) with respect to all Collateral consisting of securities, Custodian shall forward to the Applicable Primary Dealer with respect to each applicable Loan all information or documents that it may receive from an issuer thereof which, in its reasonable determination, are intended for the beneficial owner of such securities, including notices with respect to any rights the applicable beneficial holder may have and the date or dates such rights must be exercised; *provided*, that this Section 11.4(a) shall be subject in all respects to Section 14.1(d); and
- (b) with respect to all Collateral consisting of securities, it shall promptly advise Lender and the Applicable Primary Dealer with respect to each applicable Loan upon being notified of the partial redemption, partial payment or other action affecting less than the entire class of all such securities and, if any such securities are held by Custodian, directly or indirectly, or by DTC, as part of a fungible mass, Custodian or DTC may select the securities to participate in such partial redemption, partial

payment or other action in any non-discriminatory manner that it customarily uses to make such selection.

Absent actual receipt by Custodian at Custodian's offices of the information and notices described above, Custodian shall have no liability for failing to so notify the Applicable Primary Dealer.

12.0 WAIVER OF IMMUNITY; SUBMISSION TO JURISDICTION; VENUE; ETC.

- 12.1. If any Borrower or its property is now, or in the future becomes, entitled to any immunity, whether characterized as sovereign or otherwise (including, without limitation, immunity from set-off, from service of process, from jurisdiction of any court or tribunal, from attachment in aid of execution, from attachment prior to the entry of a judgment, or from execution upon a judgment) in any legal proceeding in Federal or State courts in the United States of America, or in the courts of the country in which such Borrower principally conducts its business, then such Borrower expressly and irrevocably waives, to the maximum extent permitted by law, any such immunity. To the extent any Borrower receives any such entitlement in the future, such Borrower shall promptly notify Lender of such entitlement.
- 12.2. Each of the parties hereby irrevocably and unconditionally: (a) submits for itself and its property in any legal action or proceeding relating to the Lending Agreement, or for recognition and enforcement of any judgment in respect thereof, to the exclusive jurisdiction of the courts of the United States for the Southern District of New York, and appellate courts thereof; *provided that*, notwithstanding the foregoing, if there is no basis for federal jurisdiction in respect of any such legal action or proceeding or recognition and enforcement action, then each party submits for itself and its property in any such legal action or proceeding or recognition and enforcement action to the exclusive jurisdiction of the courts of the State of New York located in the Borough of Manhattan in New York City, and appellate courts thereof; (b) consents that any such action or proceeding may be brought only in such courts and waives, to the maximum extent not prohibited by law, any objection that it may now or hereafter have to the venue of any such action or proceeding in any such court or that such action or proceeding was brought in an inconvenient court and agrees not to plead or claim the same; (c) agrees that service of process in any such action or proceeding may be effected by mailing a copy thereof by registered or certified mail (or any substantially similar form of mail), postage prepaid return receipt requested, (i) in the case of a Primary Dealer, to its address set forth in its Letter of Agreement, (ii) in the case of a Borrower, to the address of any Applicable Primary Dealer through which it has borrowed any Loan (as set forth in such Primary Dealer's Letter of Agreement) and (iii) in the case of Custodian or Administrator, to its address set forth on the signature page hereto, or, in each case, at such other address of which the other parties hereto and the Lender shall have been notified pursuant thereto; (d) agrees that nothing herein shall affect the right to effect service of process in any other manner permitted by law; (e) agrees that a final judgment in any such action or proceeding shall be conclusive and may be enforced in another jurisdiction by suit on the judgment or in any other matter provided by law; and (f) waives, to the maximum extent not prohibited by law, any right it may have to claim or recover in any legal action or proceeding any special, indirect, exemplary, punitive or consequential damages of any kind whatsoever (including for lost profits).

13.0 COLLATERAL SURRENDER

- 13.1. Each Borrower shall have the continuing right (a “**Collateral Surrender Right**”), exercisable at any time with respect to any Loan to it then outstanding (and whether or not any Collateral Enforcement Event has occurred and is continuing), to surrender all of the Collateral securing such Loan (the “**Surrendered Collateral**”) to Lender in full satisfaction of the Obligations with respect to such Loan (a “**Collateral Surrender**”). Lender hereby agrees, subject to any right of recourse it may have against the applicable Borrower pursuant to the proviso to Section 17.0, to accept such Surrendered Collateral in full payment, discharge and satisfaction of such Obligations.
- 13.2. To exercise a Collateral Surrender Right, a Primary Dealer shall deliver to Custodian (with a copy to Lender and Administrator) a Collateral Surrender and Acceptance Notice, executed by such Primary Dealer on behalf of its Applicable Borrower.
- 13.3. On the date designated by Lender and notified to the applicable Primary Dealer (such date to be not more than ten Business Days after the receipt of the applicable Collateral Surrender Notice or such later date as Lender shall determine in its discretion) and subject to confirmation by Custodian and Administrator of the accuracy of the information contained in such Collateral Surrender Notice (by reference to the information contained in their books and records):
- (a) to the extent permitted under applicable law, the Collateral Surrender shall become effective without any further action on the part of any Person;
 - (b) the applicable Loan Repayment Amount shall be deemed to have been forever and fully paid, discharged and satisfied (subject, in all respects, to any right of recourse that Lender may have against the applicable Borrower pursuant to the proviso to Section 17.0);
 - (c) Lender shall accede to all right, title and interest of the applicable Borrower in the Surrendered Collateral; and
 - (d) Custodian shall transfer the Surrendered Collateral from the Master TALF Collateral Account as directed by Lender.
- 13.4. Administrator shall provide prompt written notice to Lender and the Applicable Primary Dealer of the effectiveness of any Collateral Surrender.

14.0 REMEDIES UPON COLLATERAL ENFORCEMENT EVENT

- 14.1. Upon the occurrence of, and at any time during the continuance of, a Collateral Enforcement Event with respect to a Borrower, Lender may pursue any of the following remedies, separately, successively, or concurrently:
- (a) declare all of such Borrower’s Loan Repayment Amounts and other Obligations to be immediately due and payable; *provided*, that all such Loan Repayment Amounts and other Obligations shall automatically become due and payable upon the occurrence of any Collateral Enforcement Event of the type described in clause (iv) of the definition thereof;

- (b) take possession of any Collateral securing such Borrower's Loans not already in Custodian's possession, without demand and without legal process; and
- (c) instruct Custodian to liquidate Collateral securing such Borrower's Loans (including pursuant to the Put Option Agreement) and apply the proceeds thereof to such Borrower's Obligations;
- (d) exercise the exclusive right, to the extent permitted by applicable law, to vote, to give consents, ratifications and waivers and to take any other action with respect to any Collateral securing such Borrower's Loans and the financial assets underlying such Collateral, with the same force and effect as if Lender were the absolute and sole owner thereof, and such Borrower will take all such action as Lender may reasonably request from time to time to give effect to such right; and
- (e) exercise (or instruct Custodian to exercise, on its behalf) any or all of its rights as a secured creditor pursuant to, and in accordance with, Article 9 of the UCC;

provided, that with respect to any Collateral Enforcement Event other than a Collateral Enforcement Event of the type described in clause (iv) of the definition thereof, Lender shall be permitted to exercise remedies only with respect to the applicable Loan(s) and the Collateral securing same.

- 14.2. If Lender exercises its rights in any Collateral upon a Collateral Enforcement Event:
- (a) Custodian (on behalf of Lender) may sell, assign, transfer, and deliver, at Lender's option, all or any part of such Collateral at private or public sale (including pursuant to the Put Option Agreement), at such prices as Lender may, in good faith, deem best, without advertisement, and each Borrower waives notice of the time and place of the sale, except any notice that is required by law and may not be waived;
 - (b) Lender has no obligation to prepare such Collateral for sale, and Lender may sell such Collateral and disclaim any warranties without adversely affecting the commercial reasonableness of the sale;
 - (c) Lender has no obligation to collect from any third party or to marshal any assets in favor of any Borrower to satisfy any Obligation; and
 - (d) Lender may purchase any or all of such Collateral and pay for it by applying the purchase price to reduce the Loan Repayment Amounts and other Obligations secured by such Collateral.
- 14.3. Each Borrower agrees that all of the Collateral securing its Loans is of a kind or type that is customarily sold on a recognized market, as such phrase is used in Sections 9-610(c) and 9-611(d) of the UCC.
- 14.4. For the purpose of enabling it to exercise remedies pursuant to Section 14.1 or 14.2, each Borrower appoints Lender (and Custodian on behalf of Lender), with full power of substitution, as its true and lawful attorney-in-fact with full irrevocable power and authority in the place and stead of such Borrower, to endorse, assign, transfer, and deliver Collateral to any party, and to take any

action deemed necessary or advisable by Lender or Custodian either to protect Lender's interests or exercise its rights under the Lending Agreement, including taking any action to perfect or maintain Lender's security interest (including but not limited to filing a financing statement). This power of attorney is coupled with an interest and as such is irrevocable and full power of substitution is granted to the assignee or holder. As attorney-in-fact, Lender (and Custodian on behalf of Lender) may take any lawful action to collect all sums due in connection with Collateral, Lender may release any Collateral, instruments or agreements securing or evidencing Obligations as fully as each Borrower could do if acting for itself, and Lender (and Custodian on behalf of Lender) may take any action set forth in Section 7.3, but neither Lender nor Custodian has any obligation to take any such actions or any other action in respect of any Collateral.

- 14.5. The proceeds realized upon the sale or disposition of any Collateral, to the extent actually received in cash by Lender or Custodian, shall be applied toward satisfaction of the Obligations secured thereby. Lender shall apply such proceeds first to any fees, other charges, penalties, indemnities, and costs and expenses of, collection, or realizing on interests in such Collateral (including reasonable attorneys' fees), next to the unpaid principal balance and last to accrued but unpaid interest. Lender (or Custodian on behalf of Lender) will account to the applicable Borrower for any surplus amount realized upon such sale or other disposition.
- 14.6. No delay or failure by Lender (or Custodian on behalf of Lender) to exercise any right or remedy accruing upon a Collateral Enforcement Event shall impair any right or remedy, waive any default or operate as an acquiescence to the Collateral Enforcement Event, or affect any subsequent Collateral Enforcement Event of the same or of a different nature.
- 14.7. On complying with the provisions of the Lending Agreement and applicable law, Lender (and Custodian on behalf of Lender) is fully discharged from any liability or responsibility to any person regarding Collateral.

15.0 INDEMNIFICATION

- 15.1. Each Borrower shall indemnify Lender, Custodian and Administrator and their Related Parties (each, an "**Indemnified Party**") for any loss, claim, damage, liability, and expense (including, without limitation, reasonable attorneys' fees, court costs and expenses of litigation) in respect of such Borrower's Loans incurred by an Indemnified Party in the course of or arising out of the performance of the Lending Agreement, any action related to the Collateral securing such Borrower's Loans, or any action to which an Indemnified Party may become subject in connection with Lender's exercise, enforcement or preservation of any right or remedy granted to it under the Lending Agreement with respect to such Borrower's Loans or Collateral, except to the extent that such loss, claim, damage, liability, or expense results, in a final determination rendered by a court of competent jurisdiction, from the applicable Indemnified Party's gross negligence, willful misconduct or fraudulent actions; *provided*, that the foregoing indemnity shall be inapplicable to losses suffered (i) pursuant to Section 13.3 as a result of such Borrower's exercise of a Collateral Surrender Right or (ii) as a result of the application of the first paragraph of Section 17.0 to such Borrower's Obligations (but only to the extent Lender does not have a right of recourse against such Borrower pursuant to the proviso thereto).

- 15.2. Each Indemnified Party will give the applicable Borrower written notice of any claim that such Indemnified Party or any other person may have under this indemnity. No Borrower shall be liable for any claim that is compromised or settled by an Indemnified Party without such Borrower's prior written consent, *provided* that such Borrower responded promptly and in such Indemnified Party's judgment, adequately, to such Indemnified Party's notice of such claim. This indemnity remains an obligation of each Borrower notwithstanding termination of the Lending Agreement or payment in full of such Borrower's Loan Repayment Amounts, and is binding on each Borrower's successors and assigns. Upon written demand from an Indemnified Party, each Borrower shall pay promptly amounts owed under this indemnity, free and clear of any right of offset, counterclaim or other deduction. If not promptly paid by a Borrower, such obligation becomes an Obligation of such Borrower secured under the Lending Agreement.
- 15.3. Each Indemnified Party's right to indemnification hereunder shall be enforceable against each Borrower directly, without any obligation to first proceed against any third party for whom such Indemnified Party may act, and irrespective of any rights or recourse that such Borrower may have against any such third party. This indemnity shall be a continuing obligation of Borrower notwithstanding the repayment in full of any Loan Repayment Amount or the termination of this Agreement.

16.0 CONCERNING ADMINISTRATOR AND CUSTODIAN

- 16.1. Administrator or Custodian ("**Agents**") shall not be liable to any Borrower or any Primary Dealer for any costs, expenses, damages, liabilities or claims, including reasonable fees of counsel incurred by any of them (collectively, "**Losses**"), resulting from its action or inaction in connection with this Agreement, including Losses which are incurred by reason of any action or inaction by any depositary, book-entry system, clearing corporation, issuer, originator, sponsor, or their successors or nominees, except for those Losses arising out of Agents' gross negligence, bad faith or willful misconduct as stated in a final determination rendered by a court of competent jurisdiction. Agents shall have no duties or responsibilities to any Borrower or any Primary Dealer except such duties and responsibilities as are specifically set forth in this Agreement, and no covenant or obligation shall be implied in this Agreement against Agents. Each Primary Dealer and each Borrower agree that this Agreement constitutes the entire Agreement with Agents in connection with the Loans. In no event shall Agents be liable to any Borrower or any Primary Dealer for special, indirect or consequential damages, or lost profits or loss of business, arising under or in connection with this Agreement. Agents may, with respect to questions of law, apply for and obtain the advice and opinion of counsel, and shall be fully protected with respect to anything done or omitted by it in good faith in conformity with such reasonable advice or opinion. Agents shall be under no obligation to take action to collect any amount payable on Collateral in default, or if payment is refused after due demand and presentment.
- 16.2. Agents shall not be required to risk or expend their own funds or otherwise incur any financial liability in the performance of any of their duties or in the exercise of any of their rights or powers hereunder if they shall have reasonable grounds for believing that repayment of such funds or adequate indemnity against such risk or liability is not assured to it. Agents are not guaranteeing performance of or assuming any liability for the obligations of any Primary Dealer, any Borrower or Lender hereunder.

- 16.3. To the extent that this Agreement requires Agents to make any calculations based on information provided to them, Agents shall make such calculations upon receipt of such information, except to the extent that such information is manifestly incorrect and/or is not provided to Agents by the time specified in this Agreement and/or where relevant, is not substantially in the form set forth in this Agreement. If information is not provided to Agents by the time specified in this Agreement and, where relevant, in the form set out in this Agreement, or if such information is manifestly incorrect, Agents shall use reasonable efforts to make the necessary calculations and shall incur no liability hereunder for any consequence resulting from making such calculation. Agents shall be entitled to rely on any representations, statements or information it receives from the parties hereto or their designee, legal counsel and independent accountants in connection with this Agreement (collectively, "**Statements**") and shall not be liable hereunder if Agents rely on Statements provided that such reliance is reasonable. Agents may rely on any notice, direction, instruction, instrument or document reasonably believed by them to be genuine and that appears to have been signed or presented in connection with this Agreement by an authorized person, and shall not be deemed to have notice of any fact or matter unless and until written notice thereof referencing this Agreement shall have been received by Agents at the notice address provided for under Agents' signature lines on the signature page hereof.
- 16.4. Agents shall be responsible for maintaining and preserving their operations, facilities and systems (including their computer and communication systems) in a manner consistent with commercial and supervisory standards prevalent in their industry. So long as Agents shall have complied with the foregoing maintenance and preservation requirements and provided that any delay or failure to take such action as may be required under this Agreement could not be prevented by the exercise of reasonable diligence by Agents, Agents shall not be responsible or liable for any failure or delay in the performance of their obligations under this Agreement arising out of or caused, directly or indirectly, by circumstances beyond their reasonable control, including without limitation, acts of God; earthquakes; fires; floods; wars; civil or military disturbances; sabotage; epidemics; riots; interruptions, loss or malfunctions of utilities, computer (hardware or software) or communications service; accidents; labor disputes; acts of civil or military authority or governmental actions; it being understood that Agents shall use their best efforts to resume performance as soon as practicable under the circumstances. The foregoing shall not relieve Agents from using their reasonable best efforts to perform their obligations in a timely manner in accordance with the terms of this Agreement.
- 16.5. Agents shall be under no obligation to inquire into, and shall not be liable for, any Losses incurred by any Borrower or any Primary Dealer as a result of the receipt or acceptance of fraudulent, forged or invalid Collateral which otherwise is not freely transferable or deliverable without encumbrance in any relevant market.
- 16.6. Agents may enter into subcontracts, agreements and understandings with any of their Affiliates, whenever and on such terms and conditions as they deem necessary or appropriate to perform their services hereunder. No such subcontract, agreement or understanding shall discharge Agents from their obligations hereunder.
- 16.7. Agents may rely on data supplied by third parties, including generally recognized pricing information service (including dealers of securities) (collectively, "**Third Party Data**"). Agents are authorized to utilize Third Party Data in order to

perform their valuation responsibilities hereunder, and each Primary Dealer and each Borrower agree to hold Agents harmless from and against any Losses incurred as a result of errors or omissions in Third Party Data. Third Party Data are obtained from sources that Agents believe to be reliable but are provided without any independent investigation by Agents. Agents do not represent or warrant that the Third Party Data are correct, complete or current. **AGENTS ARE NOT RESPONSIBLE FOR ANY RESULTS OBTAINED FROM THE USE OF OR RELIANCE UPON THIRD PARTY DATA.**

17.0 LIMITED RECOURSE

Notwithstanding anything to the contrary contained in the Lending Agreement, (x) the Obligations of each Borrower are solely the obligations of such Borrower and (y) with respect to any Loan, the Obligations shall be payable solely to the extent of funds received (i) by Custodian in respect of interest payments on and principal payments of the Collateral securing such Loan and (ii) as a result of the exercise of remedies with respect to the Collateral securing such Loan pursuant to Section 14.1 or 14.2; *provided* that the provisions of the preceding clause (y) shall be inapplicable to (1) all Obligations with respect to a Loan to the extent that the Borrower of such Loan is, at any time, not an Eligible Borrower (determined on the basis of the criteria applicable to “eligible borrowers” in effect at the time such Loan was borrowed), (2) all Obligations of a Borrower that arise as a result of the inaccuracy of any of the representations and warranties made by such Borrower in Section 10.1(c) or 10.1(e), (3) all Obligations with respect to a Loan that arise pursuant to Lender’s right of reimbursement set forth in Section 18.14 and (4) all Obligations with respect to a Loan if a Collateral Surrender and Acceptance Notice with respect thereto shall not have been delivered to Custodian in accordance with Section 13.2 on or prior to the Maturity Date of such Loan.

No recourse shall be had for the payment of any amount owing in respect of any obligation of, or claim against, any Borrower arising out of or based upon the Lending Agreement against Custodian, Administrator, any Primary Dealer or any holder of any equity interests in or any Related Party thereof; *provided* that (i) recourse may be had against a Primary Dealer in respect of any failure by such Primary Dealer to perform any covenant or agreement undertaken by it in the Lending Agreement and any failure of any of the representations and warranties made by such Primary Dealer in the Lending Agreement to be true and correct in all material respects when made (but in the case of the representations and warranties in Sections 10.1(d)(with respect to information obtained by such Primary Dealer from third parties), 10.2(b), 10.2(c), 10.2(f) (with respect to information obtained by such Primary Dealer from third parties), 10.2(g) and 10.2(h), only if such Primary Dealer shall have failed to exercise reasonable care to confirm their accuracy) and (ii) the foregoing shall not relieve any such person or entity from any liability they might otherwise have as a result of gross negligence, willful misconduct or fraudulent actions taken or omissions by them.

The provisions of this Section shall survive the termination or expiration of this Agreement and, with respect to each Borrower, the payment in full of all of such Borrower’s Obligations.

18.0 MISCELLANEOUS

- 18.1. Lender is not obligated by the Lending Agreement or otherwise to make, increase, renew, or extend any Loan to any Borrower.

- 18.2. With respect to each Borrower, the amount of any Loan Repayment Amount and/or Obligation reflected on the books and records of the Custodian is presumptive evidence of the amounts due and owing by such Borrower to Lender.
- 18.3. Lender shall have no right to pledge or hypothecate any Collateral, and shall have no right to sell any Collateral except pursuant to Section 14.1 or 14.2 or except to the extent such Collateral has been surrendered to it pursuant to an effective Collateral Surrender.
- 18.4. The time zone prevailing in the State of New York shall be used to determine any deadline or other time hereunder or under the TALF Standing Loan Facility Procedures, including the time a Loan Repayment Amount or other Obligation is due and payable.
- 18.5. Lender may record telephone communications between Lender and each Primary Dealer and between Lender and each Borrower, and such recordings may be submitted in evidence to any court or in any proceeding for the purpose of establishing any matters pertinent to the Lending Agreement.
- 18.6. Lender's rights and remedies under the Lending Agreement are in addition to any others agreed to by any Borrower or that may exist at law or in equity.
- 18.7. Any provision of the Lending Agreement that is unenforceable or invalid under any law in any jurisdiction is ineffective to the extent of such unenforceability or invalidity without affecting the enforceability or validity of any other provision, and any such unenforceability or invalidity shall not invalidate or render unenforceable such provision in any other jurisdiction.
- 18.8. The Lending Agreement is binding on the receivers, administrators, permitted assignees and successors, and legal representatives of each Borrower and inures to the benefit of Lender, Administrator, Custodian and their respective assignees and successors.
- Each Borrower and each Primary Dealer hereby consents to the assignment by Lender to any purchaser of Collateral (x) following a Collateral Surrender or (y) pursuant to Lender's exercise of remedies pursuant to Section 14.1 or 14.2 of this Agreement of (i) the representations and warranties of such Borrower and such Primary Dealer under the Lending Agreement and (ii) the rights of recourse against such Borrower and such Primary Dealer under Section 17.0 as if the Obligations secured by (or that had been secured by) such Collateral were owed to such purchaser.
- 18.9. Lender may sell, transfer, assign or participate to any other Person any or all of its rights and obligations under this Agreement, including any or all of its interests in any Loan. No Borrower may assign any of its rights or obligations hereunder except pursuant to a Permitted Loan and Collateral Transfer.
- 18.10. Lender is not required to provide a written advice to any Borrower for any Loan, Loan Repayment Amount or other Obligation or of the release of any Collateral; *provided* that reports with respect thereto shall be made available to each Borrower's Applicable Primary Dealer from time by Administrator in accordance with the Collateral Custody and Administration Agreement.
- 18.11. Lender has no liability for acting in reliance upon any communication (including a fax, telex, electronic communication, or similar communication) reasonably

believed by it to be genuine or to be sent by an individual acting on behalf of a Borrower.

- 18.12. Each Primary Dealer acknowledges its obligation to comply with any tax withholding and reporting obligations that may be applicable to its activities hereunder (including in respect of payments to be made by it to its Applicable Borrowers) pursuant to applicable law.
- 18.13. A Borrower may, upon not less than ten Business Days' advance written notice to Custodian and Administrator from the Applicable Primary Dealer with respect to any of its Loans, appoint a replacement Applicable Primary Dealer (which shall be a Primary Dealer) with respect to such Loan (any such replacement, a "**Replacement Primary Dealer**"). Such appointment shall be effective upon written confirmation by the Replacement Primary Dealer to Custodian and to the Applicable Primary Dealer being replaced that it has accepted such appointment and agreed to act in such capacity with respect to such Loan and to perform all obligations with respect thereto set forth in this Agreement; *provided*, that no such appointment shall be effective unless (x) Custodian shall have been provided with a copy of such Replacement Primary Dealer's Letter of Agreement (to the extent it does not already have a copy of same) and (y) in the case of a Replacement Primary Dealer that is not already acting on behalf of a Borrower with respect to another Loan made hereunder, Custodian shall have satisfied its obligations under its "know-your-customer" and anti money laundering compliance programs). Upon the effectiveness of any such appointment, such Replacement Primary Dealer shall be deemed to be the Applicable Primary Dealer with respect to such Loan for all purposes of this Agreement.
- 18.14. Each Borrower hereby acknowledges and agrees that, solely to the extent that Custodian makes payment on behalf of such Borrower in respect of the interest on, or principal of, any Loan on the basis of any Interest Receipts or Principal Receipts erroneously credited to the account of such Borrower and subsequently reversed by the issuer of the applicable Collateral or its agent, (x) Custodian shall, to the extent permitted by applicable law, have a right of set-off against amounts credited to the Master TALF Collateral Account in respect of such Collateral and (y) Lender shall have a corresponding right of reimbursement against such Borrower for any amounts that, but for the exercise of any such set-off by Custodian, would have been paid to, or retained by, Lender.
- 18.15. Each Borrower, each Primary Dealer, Administrator and Custodian waives any right to presentment, notice of dishonor, protest, and any other notice of any kind except as expressly provided for herein.
- 18.16. Lender will use reasonable best efforts to hold, and will use reasonable best efforts to cause its agents to hold, in confidence all non-public information ("**Lender Information**") concerning any Loan to any Borrower furnished or made available to it by such Borrower or any of its Applicable Primary Dealers or their respective agents or representatives pursuant to the Lending Agreement except to the extent necessary or desirable for Lender to enforce any of its legal rights or remedies under the Lending Agreement; *provided* that nothing herein shall prevent Lender from disclosing any Lender Information (x) to the Board or to the United States Department of the Treasury or any of their respective oversight bodies upon any of their request or demand or (y) to the extent required by applicable laws or regulations or by any subpoena or similar legal process.

18.17. The Section headings used herein are for convenience only and are not to affect the construction hereof or be taken into consideration in the construction hereof.

19.0 PERMITTED LOAN AND COLLATERAL TRANSFER

- 19.1. Pursuant to a Permitted Loan and Collateral Transfer, a Borrower (the “**Assignor**”) may assign all of its Obligations with respect to a Loan (a “**Loan Assignment**”) to another Eligible Borrower (the “**Assignee**”).
- 19.2. To effect a Loan Assignment, the Applicable Primary Dealer of the Assignor shall deliver to Lender an assignment and assumption in the form of Appendix 4B, executed by (x) such Applicable Primary Dealer and (y) the Applicable Primary Dealer of the Assignee; *provided* that a Loan Assignment shall only become effective when and if (i) Lender shall have consented thereto (such consent to be evidenced by Lender’s signature to the assignment and assumption) and (ii) the Collateral securing the applicable Loan has been sold or transferred to the Assignee; *provided further*, that such Collateral shall at all times remain in the Master TALF Collateral Account as Collateral for such Loan.
- 19.3. Lender may delay or withhold its consent to any Loan Assignment for any reason and for any period of time.
- 19.4. The parties hereto acknowledge that Lender shall not consent to any Loan Assignment after December 31, 2009 unless it shall have determined, in its sole discretion, that unusual and exigent circumstances exist in the financial markets (it being understood that any such determination shall not otherwise limit Lender’s right to consent to any Loan Assignment).
- 19.5. Copies of each fully executed assignment and assumption shall be delivered by Lender to Custodian and Administrator. Copies of the documentation effecting the sale or transfer of Collateral described in the preceding Section 19.2 shall be delivered by each of the Applicable Primary Dealers to Custodian and Administrator.

20.0 AMENDMENT

Lender, in its sole discretion, may amend the Lending Agreement; *provided*, that no such amendment shall affect the rights or obligations of Custodian or Administrator without such Person’s consent. Lender shall notify each Primary Dealer, Administrator and Custodian (via a posting to the TALF Website) of any such amendment and, thereafter, any pledge of Collateral, request for any Loan or incurrence of any other Obligation shall constitute the applicable Borrower’s agreement to such amendment as of the effective date of such amendment; *provided, however*, that no such amendment shall affect the rights or obligations of any Borrower or any Primary Dealer with respect to any Loan outstanding prior to the effectiveness of such amendment.

21.0 NOTICE

- (e) if by telephone or other oral communication, on the date that oral communication occurred, provided that such oral communication either is confirmed promptly in writing by at least one of the methods specified in (a) to (d) above or is recorded,

unless the date of the delivery (or attempted delivery), the receipt or the occurrence, as applicable, is not a Business Day or that communication is delivered (or attempted), received or shall have occurred, as applicable, after the close of business on a Business Day, in which case that communication shall be deemed given and effective on the first following day that is a Business Day.

- 21.2. If sent to a Primary Dealer, the notice must be addressed as indicated by such Primary Dealer in its Letter of Agreement, or as otherwise specified by such person in a record.
- 21.3. If sent to Lender, Administrator or Custodian, the notice must be addressed as specified below such Person's signature on the signature pages hereof.
- 21.4. **Lender shall have no obligation to provide any notices or other communications relating to this Agreement directly to any Borrower. All notices to be delivered to a Borrower shall be delivered to such Borrower's Applicable Primary Dealer for further distribution to such Borrower.**
- 21.5. Each Borrower agrees that it shall not send any notices or other communications pertaining to this Agreement directly to Lender. Any such notices or communications intended for Lender shall be made exclusively through such Borrower's Applicable Primary Dealer. Each Primary Dealer consents to the foregoing and agrees to promptly (and in any event within one Business Day of receipt thereof) provide to Lender any such notices or communications that it receives from its Applicable Borrowers.

22.0 TERMINATION

A Primary Dealer may terminate its consent to be bound by the Lending Agreement by giving written notice to Lender, so long as no Loan Repayment Amount and no other Obligation of any of its Applicable Borrowers is then outstanding; *provided* that thereafter such Primary Dealer shall not be entitled to request any Loans on behalf of its customers pursuant to the TALF Standing Loan Facility; *provided, further*, that any such termination shall not relieve such Primary Dealer of any liability or obligation arising hereunder prior to the date of such termination. Notice of termination shall not affect any provision of the Lending Agreement which by its terms survives termination of the Lending Agreement.

Each Primary Dealer acknowledges that (x) Lender shall have the right to terminate, at any time and in its sole discretion, such Primary Dealer's right to submit Initial Loan Requests and (y) if at any time it no longer appears on the Federal Reserve Bank of New York's list of "Primary Government Securities Dealers Reporting to the Government Securities Dealers Statistics Unit of the Federal Reserve Bank of New York", its right to submit Initial Loan Requests shall be automatically terminated; *provided*, in each case, that any such termination shall not affect such Primary Dealer's obligations hereunder with respect to any Loans previously made to its Applicable Borrowers.

23.0 GOVERNING LAW

The Lending Agreement, including any Loan or any other transaction entered into pursuant thereto, is governed by the law of the State of New York. The Lending Agreement is a security agreement for purposes of the UCC, as in effect in the State of New York, and other applicable law.

24.0 WAIVER OF JURY TRIAL

EACH PARTY HERETO (INCLUDING EACH BORROWER) HEREBY UNCONDITIONALLY AND IRREVOCABLY WAIVES ANY AND ALL RIGHT TO TRIAL BY JURY IN ANY ACTION, SUIT, COUNTERCLAIM, OR CROSS CLAIM ARISING IN CONNECTION WITH, OUT OF, OR OTHERWISE RELATING TO THE LENDING AGREEMENT, THE COLLATERAL, OR ANY TRANSACTION OR AGREEMENT ARISING THEREFROM OR RELATED THERETO.

25.0 STATUS OF OTHER AGREEMENTS

The Lending Agreement and the TALF Standing Loan Facility Procedures represent the sole agreements and understandings with Lender governing or relating to loans to be made pursuant to TALF.

26.0 BINDING EFFECT

Delivery to Lender of a Letter of Agreement by a Primary Dealer shall evidence such Primary Dealer's agreement to be bound by the terms hereof. Upon such delivery by any such Primary Dealer, this Agreement shall become binding as to such Primary Dealer. Promptly upon receipt thereof, Lender shall provide to Custodian a copy of each executed Letter of Agreement.

This Agreement shall be binding as to each Borrower upon the making of any Loan to such Borrower.

IN WITNESS WHEREOF, Lender, Administrator and Custodian have caused this Agreement to be duly executed and delivered by their proper and duly authorized signatories as of the day and year first above written.
